PROCEEDINGS: (IN CHAMBERS)

The parties' proposed Stipulation and Protective Order has been referred by the District Judge to the Magistrate Judge for consideration. The parties are advised that the Court declines to issue the proposed protective order to which they have stipulated for the following reasons:

1. While the Court is willing to enter a protective order in accordance with the parties' stipulation in order to facilitate the conduct of discovery, the Court is unwilling to include in the protective order any provisions relating to evidence presented at trial or other court hearings or proceedings. That is a matter the parties will need to take up with the judicial officer conducting the proceeding at the appropriate time. The stipulation should, thus, include language to make this explicit.

 3. An "IT IS SO ORDERED" signature block for the Magistrate Judge needs to be added following counsel's signatures on the last page.

The parties are further directed to the Court's sample stipulated protective order located on the Court's website for a sample of the format of an approved stipulated protective order.
